I think he would informally provide a copy to some or all of them and this would be the formal version that includes a request for a few more items. See letter...

I was unable to reach Christine after our meeting after repeatedly trying so left her a voice mail. Will see how this plays out...

If Dennis is going to be handing it to them, why have a cover letter?

Hi All,

See attached for an initial draft cover letter to Oregon providing *Options for Oregon to Satisfy its CZARA Requirement to Adopt Additional Management Measures or Forestry* document, requesting a written commitment and a plan. Please provide your comments to me by COB April 1.

This is an action Item from March 25<sup>th</sup> Oregon CZARA Managers' Meeting.

Below is the email Christine sent to Dennis and Will yesterday and I have attached the "gaps" document.

Dennis and Will, I understand that you will be sharing the "Gaps" document with the State sometime next week. I cleaned up the latest version that had Will's comments as of yesterday and made a few more tweaks. Attached is a clean version of the document dated 3/26/2015 to share with the State. Would appreciate hearing from you when the document is transmitted to the State.

Please let me know if you have any questions. Thank you.
